

Publications:

1. Baghaei K, Shokrzadeh L, Jafari F, Dabiri H, Yamaoka Y, Bolfion M, Zojaji H, **Aslani MM**, Zali MR. Determination of Helicobacter pylori virulence by analysis of the cag pathogenicity island isolated from Iranian patients. Dig Liver Dis. (2009)
2. Jafari F, Garcia-Gil LJ, Salmanzadeh-Ahrabi S, Shokrzadeh L, **Aslani MM**, Pourhoseingholi MA, Derakhshan F, Zali MR. Diagnosis and prevalence of enteropathogenic bacteria in children less than 5 years of age with acute diarrhea in Tehran children's hospitals. *J Infect.*(2009)Jan;58(1):21-7.
3. **Aslani MM**, Bouzari S. Characterization of virulence genes of non-O157 Shiga toxin-producing Escherichia coli isolates from two provinces of Iran. *Jpn J Infect Dis.* 2009 Jan;62(1):16-9.
4. **Aslani M.M**, Salmanzadeh-ahrabi S, Alikhani MY, Jafari F, Zali MR and Mani ,M. Molecular detection and antimicrobial resistance of diarrheagenic Escherichia coli strains isolated from diarrheal cases. *Saudi Med J .;* Vol 29(3) : 388-392 ., (2008)
5. Salmanzadeh-ahrabi S, Jafari F, Habibi E, Irajian GR, **Aslani M.M**, Baghbani-Arani F, Zali MR. Serotypes distribution and antimicrobial resistance rates of Shigella Spp isolates in Tehran, Iran. *Mikrobiyol Bul.;* Jul; 41(3): 453-7., (2007)

6. Asadi-karam M, **Aslani M.M**, Habibi M, Oloomi M. A comparative Evolution study of eae Genes of the LEE loci in E.coli Strains in Iran with Different countries. *Daneshvar (Scientific –research Journal of Shahed university*, 69 :17-23, **(2007)**
7. Ghaemi E, **Aslani M.M**, Moradi A V, Dadgar T, Livani S, Mansourian Azad R, Nosrat S B, Ahmadi A. Epidemiology of *Shigella*-associated diarrhea in Gorgan, north of Iran. *Saudi J Gastroenterol.* :13:129-132., **(2007)**
8. Alikhani MY, Mirsalehian A, Fatollahzadeh B, Pourshafie MR, **Aslani M.M**. Prevalence of enteropathogenic and shiga toxin-producing Escherichia coli among children with and without diarrhoea in Iran. *J Health Popul Nutr.* Mar;25(1):88-93. **(2007)**
9. Alikhani M.Y, Mirsalehian A and **Aslani M.M**, HeLa-Cell Adherence Patterns of Enteropathogenic *Escherichia coli* (EPEC) Strains Isolated from Faecal Samples *.Pakistan J.bio Sci.*9(8).1465-69.,**(2006)**
10. Sadeghifar N, **Aslani M.M.**, Ghasemi A. Comparison of different laboratory methods for diagnosis of *Helicobacter pylori*. *Pakistan J bio Sci.* 6(6).1146-1149.**(2006)**
11. Alikhani M.Y, Mirsalehian A and **Aslani M.M.**, Detection of typical and atypical enteropathogenic Escherichia coli (EPEC) in Iranian children with and without Diarrhea. *J Med Microbio.*55:1159-1163., **(2006)**

12. Ranjbar R, Soltan dallal MM, pourshafie MR, **Aslani M.M**, Majdzadeh R, Khorramizadeh MR. Serogroup Distribution of Shigella of in Tehran. Iranian Journal public Health. 33(3):32-35.(2004)
13. Vahdani p, Saifi M, **Aslani M.M**, Asarian AA, Sharafi K.A . Antibiotics Resistance patterns in MRSA Isolates from patients admitted in ICU and infectious Ward Tanaffos .3(11), 34-44, (2004)
14. **Aslani,M.M**, Syed hamzeh.H. Characterization and Distribution of Virulence factors in Aeromonas hydrophila strains isolated from fecal samples of diarrheal and Asymptomatic Healthy persons, in Ilam, Iran. Iranian Biomedical Journal 8(4):199-203. (2004)
15. **Aslani,M.M.**, Alikhani M.Y .The Role of Aeromonas hydrophila in Diarrhea. Iranian Journal public Health. 33(3):54-9.(2004)
16. **Aslani,M.M.**, and S.Bouzari. An epidemiological study on Verotoxin-producing *Escherichia coli* (VTEC) infection among population of northern region of Iran (Mazandaran and Golestan provinces). EJEP. 04:345-349, (2003)
17. Katami Sh, **Aslani M.M**, Pourfallah F. One step purification of sterptolysin O from Streptococci beta-hemolytic group A (Richard Strains). Journal of Shahid Sadoughi university of Medical Sciences & Health services (Farsi).10 (4):62-68. (2003)

18. Sadeghifard NK, **Aslani M.M** ,Azizi Jaliliane F, Shikhiane A. Isolation ,Verotoxin assay and serogrouping of enterohemorrhagic E.oli (EHEC) strains in Ilam province (Autumn ,1999). Journal 9of Shahid Sadoughi university of Medical Sciences & Health services (Farsi).10 (1):54-59.(2002)
19. Alikhani y, Bahermant A, Zeinali S, **Aslani M.M** .Clinical trials of PCR for diagnosis of M .tuberculosis in sterile body fluid. Iranian J infect Dis Trop Med. 7:(18):51-53.(2002)
20. Katami Sh, Zamani Z , Hosseini F, **Aslani M.M**. Comparison of 11 selective media for sterptolysin O production by group A beta-hemolytic Streptococci (Richard Strains). Hakim research Journal (Farsi). 4 (3).193-200. (2001)
21. **Aslani. M.M.**, N Badami. The role of cycloheximide in increasing the sensivity of vero cell to cytotoxin of verocytotoxin producing *Escherichia coli.Yakheth* (the cell).2.6:85-89.Summer (2000)
22. **Aslani. M.M.**, N.Badami , and S. Bouzari. Adherence patterns of Verotoxigenic *Escherichia coli* (VTEC) non-O157 strains isolated from fecal samples in Iran. Iranian Biomedical Journal 3(3& 4):71-75, (1999)
23. **Aslani. M.M.**, N.Badami, M.Mahmoodi and S.Bouzari. Verotoxigenic-producing *Escherichia coli* (VTEC) infection in randomly selected population of Ilam Province (Iran). Scand J Infect Dis. 30:473-476, (1998)

24. Pourshafie , M.Saifi , M.A. Vahdani. A.Shafie, **Aslani. M.M.**, An outbreak of food-borne botulism associated with contaminated locally-made cheese in Iran, Scand J Infect Dis. 30:92-94,(1998)
25. Badami, N. M. Marefatpoor., M.Mohammadi., **Aslani M.M**, Increase of resistance to Penicillin and Gentamycin of *Enterococci* isolated from urine and stool of Tehran hospitalized patients. Iranian J infect Dis Trop Med. 2:(5):38-43.(1998)
26. Shirvani F, Momenzadh A, **Aslani M.M** ,Torabi J ,Khaleghi R, Sharokhi N. Prevalence of vaginal colonization of group B Streptococcus in Tehran's women and its relationship to colonization in newborns. Pejouhandeh .(farsi).2(4).(1998)
27. **Aslani M.M.** M.Pourmansour, M.Motavalian Isolation of *Legionella pneumophila* from Tehran Hospital water samples. Iranian Biomedical Journal 1(1):65-67,(1997)
28. Sadegifar N,M. Vaziri Khashani, A.R. Bahreman. **M.M.Asiani**. Comparison of culture and rapid Urease test in diagnosis of *Helicobacter pylori*. Scientific J Ilam University Med Sci. 14:15-19,(1997)
29. **Aslani, M.M.** R, Ghargozlo. Rapid identification of Group A *Streptococci* by L-pyrolidonyl-b-naphtylamide Hydrolysis. MJIRI, Vol.9, No3, 243-245, (1995)
