

Dr aslani

Supervision of Graduate Students :

1. **2004-2005:** Ali Sadegh (Msc Thesis).A study of correlation of Shiga toxin producing E.coli with hemorrhagic colitis in referring patients to Tehran Hospitals. Sadeghian S, **Aslani M.M**, Alikhani Y. Microbiology Dept. Pasture Institute of Iran.
2. **2004-2005:** Mohammad Reza Asdi(Msc thesis).Determination and typing of intimin genes in diarrheagenic Escherichia coli. Jafari A, Bouzari S, Olomi M, **Aslani M.M**. Molecular Biology Dept. Pasture Institute of Iran.
3. **2002-2003:** (Kherkha Maryam , Msc Thesis). Study of correlation between Enteropathogeni E.coli serotypes and virulence factors. **Aslani M.M**, Bouzari s. Jafari A. Microbiology Dept. Pasture Institute of Iran.
4. **1999-2000:** (Bahador Abbas Msc Thesis). A study on the prevalence of Vero toxin-producing E.coli in cattle of Mazandaran province. Badami N, **Aslani M.M**. Tehran university o Medical science.
5. **1999-2000:** (Seyed hamzeh Hassan Msc Thesis). Determination of Heat-labile and Heat-stable toxins in 50 strains of Aeromonas hydrophila isolated from Ilam and Mazandaran provinces. **Aslani M.M**, Assmar M. Azad university, Lahijan Branch.
6. **1999-2000.**(Barri Hossien Msc Thesis) A study on the prevalence rate of Vero toxin – producing E.coli in unpasturized milks of Mazandaran province. Badami N, **Aslani M.M**. Azad university, Ghom Branch.
7. **1997-1998.** (Valiey Kambiz, MD Thesis).The seroprevalence of listeria monocytogenes in mothers with aborted children by indirect immunofluoresence technique in East-Azarbijan. **Aslani MM**, Farajnia S. Rahimi A. Azad University. Tabriz Branch. Veterinary faculty.

8. **1997-1998:** (Pouri Parham, MD thesis) A study on the relation between infertility of women and infection by Mycoplasma hominis and ureaplasma urealyticum . **Aslani MM**, Farajnia S. Azad University Tabriz Branch. Veterinary faculty.
9. **1997-1998:** (Zendehtaman Mohammad Reza, MD Thesis). Production and Evaluation of antibody of streptococci group A and group B co-agglutination method. **Aslani MM**, Farjnia S, Rahimi A. Azad University, Tabriz Branch. Veterinary faculty
10. **1997-1998:** (Abdolrahemi R, Msc thesis). Prevalence of Vero toxin-producing Escherichia coli (VTEC) in a randomly selected population of Mazandaran province. Pourmensour M, **Aslani M.M**. Azad University. Lahijan Branch.
11. **1995-1996:** (Mr Norkhoda Sadegifar,Msc Thesis), Diagnosis of Helicobacter pylori by culture Histopathological section and urease test, Institute Pasteur of Iran. Baherland A,Vaziri M, **Aslani MM**
12. **1995-1996:**(Yousesf Alikhani, MSc Thesis),Rapid identification of Mycobacterium tuberculosis bovis complex by nested PCR. Baherland A, **Aslani MM**. Institute Pasteur of Iran.
13. **1995-1996:**(Farzaneh Hossieni, MSc Thesis) Preparation and Purification of Streptolysin O From Beta hemolytic Streptococci Khatami S, Maleckzadeh P, **Aslani MM**,Azad university. Thesis
